

## **Weather Cancellations**

Where there is a possibility that snow or inclement weather will disrupt or make travel to or from ElderCollege classes difficult, the following procedure will be implemented.

You will receive an EMAIL the evening BEFORE the scheduled class to warn
of a possible cancellation

• By **9 am** on the day of the scheduled class, a decision will be made about safety and whether the class should be cancelled

- Only if the class is cancelled, you will receive an emailed notice or a phone call
- Our website will be updated to advise of a cancellation (http://www.nseldercollege.org/news--events.html)

Fee

• If we cancel the class, your account will be credited; where possible, the class will be rescheduled

## **Note**

You should make your own decision about attending class depending on your level of comfort.
